

Starfish Number Puzzle

I am a starfish. I have 5 arms.
How about you? Do you have five arms?
Or two?

Help me solve this number puzzle. If I have five
arms and you take two, how many of my arms are left?

Make me a number 5 puzzle by cutting me out
and cutting along the straight lines to make a body
with 5 arms. How many different ways can you
make 5 with my arms?
